PROFESSIONAL SUMMARY

Aspiring B.Tech final-year student in Computer Science, with expertise in Java, Python, Data Structures, Computer Networks, DBMS, and Object-Oriented Programming. Experienced in frontend web development and building predictive machine learning models. Demonstrates strong analytical, algorithm design, and software engineering skills seeking an entry-level role to deliver scalable solutions and actionable insights.

EDUCATION

Bachelor of Technology in Computer Science and Engineering	2023 – 2027
Rajeev Gandhi Memorial College of Engineering & Technology, Kurnool	CGPA: 9.02 / 10.0

TECHNICAL SKILLS

Programming Languages: Core Java, Python, HTML, CSS
Database Management: SQL, MySQL (Joins, Subqueries, Indexes)
Tools & Platforms: Git/GitHub, VS Code, Jupyter Notebook, Microsoft Excel
Soft Skills: Communication, Teamwork, Problem Solving, Public Speaking

PROJECTS

Chronic Kidney Disease Prediction using Machine Learning	2026
<i>Technologies: Python, Pandas, NumPy, Scikit-learn</i>	
- Engineered predictive machine learning models using Logistic Regression, Random Forest, and Support Vector Machines (SVM). - Executed data cleaning, preprocessing, feature scaling, and missing value handling on clinical datasets. - Evaluated performance metrics using precision, recall, and confusion matrix, achieving an optimal 99.82% accuracy.	
SB Foods – Food Ordering Web Application (Team Project)	2025
<i>Technologies: React.js, JavaScript, HTML, CSS, Git</i>	
- Developed responsive frontend user interfaces using React.js with modular component design and state management. - Implemented user-facing authentication flows, interactive shopping cart components, and order placement interfaces. - Collaborated in a team environment to integrate frontend components using Git and GitHub for version control.	

ACHIEVEMENTS

- Research Publication:** Co-authored paper titled “Enhancing Interpersonal Communication Skills in Engineering Students: A Theoretical Approach” published in **Advanced Research Trends in Literature, ELT & Soft Skills (2026)**.
- Web Development Award:** Secured **2nd Prize** in Web Development during Engineer’s Day at RGM CET.
- Poster Presentation Winner:** Won **2nd Place** in Poster Presentation (Ripple 2k26) as Team Leader.
- SPARC Innovator:** Selected as **SPARC Innovator** based on technical interview and problem-solving evaluations.

CERTIFICATIONS

- | | |
|---|-------------|
| • Oracle Certified Foundations Associate – Oracle University | 2025 |
| • AWS Certified Cloud Practitioner – Amazon | 2025 |
| • Soft Skills Certification – NPTEL | 2024 |
